*The Hellcat Trail project is in the design phase and the actual construction work on the Hellcat Trail will not begin until the design phase is completed. Engraved planks will be installed on boardwalks on the refuge, starting with the boardwalk at Lot #1, the most visited access point on the refuge. The Friends Boardwalk Plank Fundraiser for Hellcat Trail offers donors the opportunity to express their support for the refuge and its Hellcat Trail by donating engraved planks made of recycled synthetic materials installed on its boardwalks thereby improving the access to the refuge while protecting its sensitive environment and wildlife, and while raising funds for the Hellcat Trail. **Thank you!***
