Overlay of original and new boardwalk alignment

North Pool

Heliot Trailhead & Parking

New Boardwalk: Layout

Explore: Boardwalk
New and Improved!

• Boardwalk width expanded to 5’

• Stairs and steps replaced with gradual inclines and ramps

• Deck boards made from recycled plastic

• Steel helical piles support boardwalk above the ground with minimal environmental footprint
Note: The distance from the Hellcat parking lot to the Wetland Overlook is about .4 mile. The so-called “Marsh Loop” is, for now, an “out and back” trail.
Trail Improvements

- Marsh Spur (Phase 1C)
- Connector Trail (Phase 4)
- Dune Loop View (Phase 5)
Connector Trail
Improved Wilderness / Ocean View
