Walk for The Wild 5K Challenge - Team Friends of Parker River National Wildlife Refuge

Parker River National Wildlife Refuge Nature Bingo Card

During your visit to the refuge, **The Friends of Parker River National Wildlife Refuge, Inc.** encourage families with young children to look for some of the amazing plants, animals, and beautiful scenic views that are typical of fall on Parker River National Wildlife Refuge. How many of these exciting things can you and your family find? Use the small boxes next to the nine images on the Nature Bingo Card to record your observations.

The Friends of Parker River National Wildlife Refuge, Inc. is an all-volunteer, non-profit organization that works to support refuge staff with construction projects, beach clean-ups, trail and garden maintenance, free educational programs, internships, and advocacy.

We would be very grateful if you would become a member of the Friends to support our work. Family memberships are available. Please go to our website, parkerriver.org, for membership information. Thank you.

Parker River National Wildlife Refuge, established in 1941, encompasses 4,700 acres of diverse upland and wetland habitats. These habitats support a wide variety of resident and migratory wildlife, including over 300 species of birds.

The refuge is a treasure in our backyard. We hope you will visit the refuge often and help the staff preserve it for the benefit of both wildlife and humans.
